

ENABLING SECURE REAL TIME COMMUNICATIONS

CISSP Domain focus: Communication & Network Security

Date: Thursday May 25th 2017
Location: Little Italy, Clay Kaserne
Company: [Sonus Networks](#)
Speaker: Boris Kilimnik
Time: 11:30 AM to 13:00 PM

BIO: Mr. Boris Kilimnik, is a **Senior DoD Account Manager** with **Sonus Networks**. As DoD agencies have slowly begun to adopt Unified Communications, his focus has been on aiding these agencies in bridging the gap between and securing non-real-time and real-time applications.

Over the past 12 years, Boris has held numerous SATCOM/Network engineering, consulting, and technical sales roles with companies such as Booz Allen Hamilton, Expand Networks, and Riverbed Technologies. He has a BS in Electrical Engineering from the University of Maryland, College Park. He currently resides in Ellicott City, MD with his wife and daughter.
